<TEXT>I urge you to reject a flat fee proposal that would change how contributions are made to the Universal Service Fund. I am concerned that this proposal would make my current service unfairly unaffordable.

Low-volume long distance customers would bear the same universal service fund burden as high-volume customers. This is unfair!

I use my wireless phone for safety, security and convenience. I don't want to lose these benefits. I urge you to reject the proposal.

Sincerely, Barbara Matthews 770 NW 17 St.
